MEMORANDUM FOR:

Office of the Inspector General

FROM:

Harry E. Fitzwater

Deputy Director for Administration

SUBJECT:

Appointment as Chairperson, Fine Arts

Commission

- l. It is with great pleasure that I confirm officially your appointment to the position of Chairwoman of the Agency's Fine Arts Commission. The job carries numerous responsibilities and not a few headaches, but also, I believe, a significant sense of satisfaction from the knowledge that you are having an impact on the environment in which our people work.
- 2. The FAC has made a major contribution in the continuing struggle to maintain and enhance the attractiveness of that environment. Its work will be even more important once we occupy the new annex building. I look forward to working with you and your FAC colleagues, and assure you that the Commission will continue to have my full support. Thank you for accepting the task.

Harry E. Fitzwater
